Sag is all we need to arrange for June 28th. Concern about the temps.
- **Habitat for Humanity** June 14 and leaving on the 15. He needs a place to stay. Coming fro CuldeSac. Carol has offered a place to stay. We are looking for TRC members to ride out to meet him on Sunday or ride with him on Monday as he leaves town. Many of the board members are already committed elsewhere. Carol will get more detail about arrival and departure times.
- **Physical Therapy Ride.** Michael Ward of Sport Physical Therapy wants to sponsor a bike ride with T-shirts. Carol will say we can do 5 10 15 or 25 mile routes. Carol will suggest co-sponsorship of what we have been calling the Spiral Loop Ride.
 1. Doug suggested we might call it Sage Bakery and have two rides, one more difficult than the other.
- **Spiral Ride planning**
 1. Polar bottles? Sean and Carol felt it was a good deal if we wanted to go that way.
 2. WSP and ISP? Arranging permission to hold event with two state patrols.
 3. We do not seem to be enthusiaistic about trying to promote this event so close to ride time when most summer events are already planned.
 4. Mike would like a glossy tri-fold to promote it. If we could arrange sponsorship to front some of the costs, this might be more practical.
 5. Carol suggested we table the matter until she has had a chance to talk with Ward.
